Set Menu: spellings, daily reading, phonics practice

We will be looking for children to be reading at home with their parents. Listening to children read will enable them to grow in confidence as they become fluent readers. Once children are able to read fluently, and with expression, hold discussions around their comprehension of the texts, (we will provide a bank of ideas to support your child is reluctant to read, they could listen to audio books. We want them to foster a love of books, so please don't underestimate of reading to your child. Please sign the reading record, so that we know when they've read the text 3 times, and we will send home a new book. We are all very grateful for your support.
