

Maths

- We will count using natural objects.
- We will be adding one more to a quantity whilst collecting outdoors.
- We will look for numbers and shapes around us.
- We will look at numbers every day by introducing a number of the week to the children and working together to represent this number in different ways i.e. claps, objects and the number.
- We will use the wonderful world around us to spot colours!
- We will look at the shapes that we see outdoors and copy them using twigs, leaves ect.
- We will go outside on a 'Shape Hunt'

Communication and Language

- We will listen to a range of adventure stories
- We will recreate stories outdoors.
- We will join in with repeating refrains in **We're Going on a Bear Hunt**.
- We will use positional language to find items that our teachers will hide outdoors.
- We will extend our vocabulary when sharing stories.
- We will have two role plays this half term it will first become a camping site which will then turn into Santa's workshop!
- We will take part in our very first Nativity!

Literacy

- We will sing many different rhymes and nativity songs.
- We will play many listening games outdoors.
- More games such as memory games, turn taking games and talking games will be played to encourage children to listen and talk in groups.
- We will make marks with different writing objects such as twigs and conkers.
- We will give meanings to the marks that we make.
- We will draw lots of pictures.
- We will discuss our favourite stories
- We will handle books carefully and turn pages.

Exploring Media and Materials

- We will use construction to make homes for different animals and creatures
-

Being Imaginative

- We will take music outdoors we will make natural music using objects that we find i.e sticks.
- We will dance and act outdoors too. We will make a stage where ever we go!
- During this half term we will be performing our first nativity. We will be learning lots of new songs and acting too!

Understanding of the World

The World

- We will learn about the great outdoors first hand. We will look at changes in the weather and discuss this.
- We will think about how to care for the things around us such as animals and plants.
- Let's take our learning outside -we will explore the world around us through nature walks and adventures within the school grounds!

People and Communities

- We will look at people who are around us in our community i.e. Mrs Sheldon aka. Mrs Biddulph in Bloom
- We will use our past experiences to assist us when learning outdoors.

Technology

- Let's make a move - We will learn how to make mechanical toys work

Year: Nursery

Term: Autumn 2

Topic: What a Wonderful World!

Personal, Social & Emotional Development

- We will follow rules to stay safe when learning outdoors.
- We will work as a team with our friends to problem solve.
- Star of the Day - we will celebrate our friends every day and say why they are special!
- Special Person of the Week- We will celebrate a child every week they will receive a trophy to take home for the week.

Physical Development

- Let's make our mark! - We will begin our journey into the world of writing by making marks and squiggling our way to letters!
- We will be learning how to run, jump and crouch our way through the great outdoors!

Outdoor/Experiences

- We will be taking our learning to the great outdoors most days!
- We will invite parents to join us in a outdoor learning session.
- We will invite Mrs Sheldon in to plant flowers with us!
