

## Knypersley First School

### PE and Sports Premium Funding Impact Report 2015-16

Sports premium funding has been allocated to all primary schools to sustainably improve the quality of PE and sport. A total of £8930 with £4000 carried forward in order to purchase outdoor gym equipment

Funding used for:	Impact
<p><b>Staff Professional Development</b> EYFS Staff Dance Training and support through twilight and follow up demo lessons and team teaching with PE consultant £1000</p>	<p>100% of EYFS staff have increased their subject specific knowledge in dance and are utilising this within PE lessons. The quality of these lessons has improved and 100% were judged good or outstanding during monitoring. This is impacting on pupils understanding, achievement and progression with 78% expected to achieve a good level of development by the end of reception. PEDPASS materials now supporting the teaching of PE in Year 1-4, ensuring lessons are at least good. Resources and support documentation are now in place to ensure this can be <b>sustained</b> in future years</p>
<p><b>Staff release time to develop PE</b> £1200</p>	<p>An audit of current PE provision has taken place and a strategic plan put in place to continue to lead improvements in PE. Planning and assessment procedures have been adapted in response to the changes within the national curriculum. Staff will begin fully using these from September this year. The PE policy has been updated and is reflective of current practice in PE. Monitoring of PE has taken place and support offered to improve teaching These documents and procedures will continue to be adapted and utilised in future years to ensure <b>sustained improvement</b></p>
<p><b>Employing specialist coaches to support extra curricular opportunities and competition development.</b> £2700</p>	<p>Specialist coaching in out of school hours has impacted on the range of extra curricular opportunities we are able to offer. We now offer football coaching from years 1-4 all year round. In Summer 2015 only 8 year 1 pupils accessed a club regularly, now 33 attend a sports based club. We also now run a boom box parent and child session on the yard before school on a weekly basis. Pupil voice and parent questionnaires have described an increased enjoyment, improved skill level and ability to apply learning in competitive situations. Our Coach is also an excellent male role model for our pupils and has resulted in further improvement in behaviour and participation levels. These attitudes will be built upon and <b>sustained</b> in future years and skill levels further enhanced and developed.</p>
<p><b>Resources</b> £8500</p>	<p>Our school now has a recognisable netball kit to be able to wear when competing with other schools, this has given pupils a sense of pride, teamwork and also aids safety by making sure our pupils are easily identified at events. The school organises a health and sports week in June which enables pupils to engage in a variety of different activities- Zumba, cycling proficiency, cheerleading and Kwik cricket. Other equipment purchased has been to ensure we have plenty of resources available for pupils to use during lessons and at informal learning times such as playtimes and lunchtimes, somewhere to park their scooters/bikes, fixed Gym equipment, scooters, games equipment. There is a 46% increase in pupils accessing a physical activity via our new gym equipment, riding to and from school and via playground leader work. This has also impacted on maximum learning time. These resources will also be available to use in <b>future years</b>.</p>
