

Maths

We will be learning about 2D and 3D shapes. We will be identifying the shapes and describing them using mathematical vocabulary. We will be using the make it, draw it and write it approach (CPA) in our maths work. We shall be learning all about place value and addition & subtraction.

Cross-curricular- We shall be using our maths skills to help us with our orienteering and map work.

RE/PSHRE

We will be discussing how to be the best Knypersley citizen and what living in a community means. In RE we will be learning about 'Showing kindness' and listening to stories from different faiths that reflect this.

Science

We will be learning about humans and labelling their body parts. We will describe the importance for humans of exercise, eating the right food and hygiene.

English

We will be creating fact files about Knypersley. We will read Traction Man, Supertato and Super Daisy and will write character descriptions and retells.

Cross-curricular writing

We shall be writing non-fiction information pages on Knypersley.

History/Geography

We shall be learning about the history of Knypersley as well as the physical features and what makes Knypersley special and unique. We will learn where Knypersley is in relation to the rest of the British Isles. We shall be looking at old photographs and artefacts and comparing to today. We shall also be completing map work from the past to the present day.

Computing

We will learn about e-safety.

We shall be writing our own power point presentations on Knypersley. We will begin to practise touch typing so that we can practise our word processing skills.

Year: 2 Term: Autumn

Topic: Where in the world is Knypersley?

Special Events: Walks around Knypersley & an orienteering session

Art/Design

We will be sketching and painting places of interest within Knypersley as well as creating our own collage maps. We will also be designing our own coat of arms for Knypersley.

PE

We will be learning how to create sequences with a clear start and end point in gymnastics. We will be learning how to

Outdoor

We will be exploring the outdoors through orienteering and walks linked to our learning.
