

Communication & Language (C&L)

- We will learn to listen attentively in a range of situations.
- We will explore humour using nonsense rhymes.
- Through drama, we will become different characters and use our voices to imagine and recreate roles and experiences.

Literacy (L)

- We will widen our vocabulary and develop different forms of speech by exploring a range of books and media.
- We will confidently read simple sentences by ourselves and to others through guided reading.
- We will continue to write lists and recounts of traditional tales using simple sentences.
- We will explore traditional story openers through reading a range of different tales.

Mathematics (M)

- We will learn to verbally identify one more and one less than a number to 15 using animals.
- We practise writing numbers correctly in soil.
- We will explore simple subtraction using equipment.
- We will develop our knowledge of time using every day language.
- We will begin to order shoes (elves and the shoe maker) according to their size.

Personal, Social and Emotional Development (PSED)

- Through role-play, we will learn to take steps to resolve conflicts with other children by finding a compromise.
- We will celebrate trying new activities and experiences.
- We will identify how to keep ourselves safe. This will be extended to our homes and school.

Reception: Spring One Once Upon A Time

Physical development (PD)

- We will consolidate our cutting skills by putting together split pin traditional characters.
- We will practice writing numerals correctly.
- We will explore moving (hoops and balls) by pushing, throwing and kicking.
- Linked with gingerbread man, we will identify the need to eat a healthy range of food and understand the need for variety in food.
- .

Understanding of the World (UW)

- We will learn lots of facts about farms during our trip to a real farm.
- We will be comparing materials to ensure they are suitable for the animal shelters.
- We will use the class cameras and ipads to record photos of our role-play area.
- We will be celebrating British traditions including Valentine's Day and making new year's resolutions

Expressive Arts and Design (EAD)

- We will design and create our own story characters.
- We will learn to adapt our work and ensure we are proud of what we create.
- We will explore new tools and techniques including using split pins correctly and safely.
- We will explore becoming customers and sellers in a shoe shop.
