World Mental Health Day

Mental health day is on Thursday 10th October, in support of this we ask your child to come in non-uniform and wear an item of yellow. The children will take part in various wellbeing and reflective activities during the day to help them practise skills to keep themselves mentally healthy.

If you are struggling to keep your children active at weekends try out this.... Go to You Tube and type '9 things to do with a' and then add your item, hula hoop, bat and ball etc.... You will be directed to a You Tube channel by Caroline at Skills and Tricks Accelerate Learning Services!

Have fun!

Calling all Volunteers!

If you have any time to help out in school we would love to have you as a part of our team! You could help in the swimming pool, listen to readers or help out with admin tasks like photocopying or laminating! All help would be gratefully received, if you could spare an hour, afternoon or a morning we would love to see you. Come and meet Mrs Egerton for a coffee and a chat to discuss the relevant paperwork and checks that need to be completed at 2:45pm on TUESDAY 15th October!

15th October 9:10am
Y4 Parents invited to watch
We are asking for donations from all year groups of non perishable items for the Food bank to support our local community. The school has been practising lots of songs to perform to Mrs Sheldon and Y4 parents!
