Attendance – 98.3%

School target 96.5%

• These classes will be rewarded in our celebration assembly and have an extra play on Friday.

Top Tip

• The children are doing fantastically well, fighting germs, tiredness and the reality of school after the summer holidays! Remember we can administer Calpol if needed to support attendance plus extra hugs for those tired children in a morning!

School Uniform Orders

• If you were unable to place an order for your child's school uniform before the school holidays, the School Office will shortly be placing a new order.

• Should you require anything for your child, please come to the School Office to obtain an order form and this will be dealt with accordingly.

• Payment for your order will need to be made through ParentPay.

Data Collection Forms/Permission Forms and Medical Forms

• Your child will have brought home with them recently the above forms to be completed, signed and returned back to your child's class teacher. These are important documents and so need to be returned to school as soon as possible. Any questions, please contact your child's class teacher.

If you require the school to administer any form of prescribed medication during school time, we do require the relevant medical form completely before we can do this for you. Forms are available at the school office.

You should have all received your child's homework book and homework menu. We hope you enjoy the new system. Don't forget you can email any homework electronically to homework@knypersley.staffs.sch.uk.

The children are responding positively to the new marking system. They can talk confidently about the progress they are making and improvements they need to make.

Reception staff need your help. They have asked if you have any of the following which we can use for our children. Boys and girls swimming kits age 4-5, towels and boys pants age 4-5. Your help is really appreciated.
