I would like to say a big THANK you to Miss Kaminskas and all the staff for providing your children with a vast array of clubs this term! However we would like to admit to a little hiccup..... The club letter did not have a space to write your child's name on therefore some letters were returned without names resulting in disappointed children as the clubs quickly filled up as usual! Miss Kaminskas has worked hard to try and squeeze children into spare spaces and has waiting lists for others! We have also ensured there is a space for names on next term's form. Thank you for your continued patience!
