As you will be aware this week has been e-safety week. Mr Evans has been hard at work all week, tweeting, preparing activities for the children, delivering assemblies and hosting the parent workshop on Tuesday. Thank you to all that attended the workshop, we hope you found it informative.

If you couldn't attend but would like some information to support keeping your child safe on the internet then you could:

- Pick up a Share aware leaflet from the main entrance
- Read the powerpoint on our website under communication to parents
- Visit websites such as <https://www.thinkuknow.co.uk/> or <https://learning.nspcc.org.uk/research-resources/schools/e-safety-for-schools/>
- Attend Mr Evans' drop ins on Wednesdays after school

It is very important that we work together to ensure our children are safe in this digital age. Ask your child about the 5 SMART rules:
