

Knypersley First School
Homework menu

Year Group: Nursery

Topic: Me and My Teddy

Term: Autumn 1

Set Menu: Timetables, spellings, daily reading, phonics practice

We will be looking for children to be reading at home with their parents. Listening to children read will enable them to grow in confidence as they become fluent readers. Once children are able to read fluently, and with expression, hold discussions around their comprehension of the texts, (we will provide a bank of ideas to support this). If your child is reluctant to read, they could listen to audio books. We want them to foster a love of books, so please don't underestimate the value of reading to your child. We are all very grateful for your support.

Added Extras:

We will encourage your child to complete as many of the activities from the menu as they like at home, but NO LESS than 3 over the half term, This can be recorded (if appropriate) in our homework books. We will ask for homework books in during the last week of each half term in order for us to share and celebrate this learning.

Read it	Research it	Design it
<p>Listen to a range of teddy bear stories. You could visit the local library if you do not have any at home.</p>	<p>Could you go on a listening walk around your local area? You could visit Biddulph Grange or go for a stroll around Knypersley Pool! Listen carefully for the different sounds that you can hear.</p>	<p>Design a teddy bear using your favourite colours!</p>
Practise it	Write it	Make it
<p>Practise handling your favourite story book with care. Can you demonstrate how to turn the pages of a book and look after them. Can you practise putting your coat on all by yourself!</p>	<p>Can you try holding your pencil! Try to make marks and give meaning to what you have drawn. Maybe you could draw a teddy bear and write your teddy bear's name!</p>	<p>Make a bed for your teddy using junk or a construction kit (duplo, lego etc). You could stick a photograph in your child's homework book or email it to homework@knypersley.staffs.sch.uk</p>
