Introduce what you want to say

I am writing to you to discuss the plight of animals that live in the rain forest.

Flattery

Everyone agrees that you are the one of the most understanding and caring Prime Ministers we have had in a long time, so I would love for you to show compassion with this story...

Explain your reasons

I am sure that you have noticed that Y4 have worked exceptionally hard for this fight. We are showing maturity beyond our years to fight for something beyond ourselves.

Extra bonus reason

In addition, by doing this, we are inspiring a generation of children that they can make change. One child, one teacher, one pen and a piece of paper can change the world.

Emotions - use them!

I know that you agree with me. When you watched the banned advert, I'm sure, like many others you were overcome with emotion of how animals could be treated in this way...

Exaggeration using WOW words

Knowing you, the Prime Minister was behind our fight for the animals would be spectacular, ground-breaking and unprecedented.

Questions

To finish: would you love to be remembered to be one of the good men of History? A man who listened to the people, a man who would look to right so many wrongs in the world?

Short sentences

Then please agree to help us in our fight. WE need you! The animals need you!

Concluding sentences

*Thank you for reading my letter.
Yours sincerely,*
