Remember, this is your challenge for the week so there is no need to read all of them today. If you have completed them, were there any that you did not know. Can you practise reading these?</p> <p>Please could you tick the words that your child can read independently and without sounding them out. These words should be recognised quickly as whole words and with no prompting. Please do not worry if your child does not know all of them yet. This will give you a list of words that they do not know for you to work on. If your child knows all of these words, you can try the Year 2 words.</p> <p>We would also like children to continue their reading. Your class teacher can let you know which book band colour to find on Oxford Owl for your child's current level as well as advice on how to help them progress.</p> <p>Spellings are on Spelling Shed.</p>	<p></p>
Other	<p>Today's subject is History.</p> <p>Use the fact sheet to learn about what pirates ate. Would you like to eat that? Why?</p> <p>How are they similar/different to what we eat today?</p> <p>Can you draw and label some of the foods that pirates ate on the plate?</p>

PIRATE FOOD

When pirates first set sail they would have lots of fresh foods. They would have meat, fish and vegetables.

When the food started to go off, they would use lots of herbs and spices to try to make the food taste better.

They ate hard dry bread called 'hard tack.' It was so hard it was often called 'ship's biscuits'. They had to watch out for maggots!

They boiled cabbage in salty water. This made it taste sour and it lasted a long time. It is called sauerkraut and comes from Germany.

They covered pork, beef and fish in salt to make it last longer. This made it last a long time but it was hard and dry.

When the meat ran out, they boiled the bones to make a thin, watery bone soup.
