## English Starter Task

### Make a Face

I can make a fat face,  
a dog face, a cat face.  
I can make a thin face,  
a skinny little pin face.  
I can make a mad face,  
a horrid, mean and bad face,  
a sick face, a sad face,  
a rather like my dad face.  
I can make a funny face,  
a just as sweet as honey face.  
I can make a happy face,  
a sharp snarl and snappy face.  
I can make a true face,  
a just for me and you face.  
But this face,  
you ain't seen this face –  
NO PLACE!

*Tony Mitton*

### Dice Addition 4-in-a-Row

You will need:

2 dice

2 different coloured sets  
of 13 counters

The aim of the game is to get  
four of your own counters in  
a row.

Roll the two dice. Add the  
numbers together and place  
a counter on that number.  
Take it in turns until a player  
wins or the board fills up.
