

Friday 29th May 2020

Dear Parents and Carers,

Home Learning Group

I hope that this letter finds you safe and well.

As you are aware, school is opening to welcome some year groups back on Monday 1st June. Families have had some difficult decisions to make and we respect every decision made.

Our staff are returning to work on Monday but we would like to reassure you that:

- On line home learning will continue and will be uploaded on to the school website on a weekly basis
- Paper packs can be requested and collected from the school office
- Unfortunately the daily emails from teachers will have to be restricted to before and after the school day
- Office staff will be available and will be able to support with any queries you may have
- Please ensure that you remain in regular contact with your class teacher or office staff so we know you are safe and well
- Please note, if your plans change and you require a place in school in Nursery, Reception or Year 1 bubbles, this requires two weeks' notice and therefore planning ahead is imperative
- If you are asked to return to work as a key worker then your child will be welcomed to join our key workers bubbles – again please give us as much notice as possible to accommodate this
- We were as disappointed as parents that Year 4 pupils were not one of the year groups invited to return to school. We are working hard behind the scenes to ensure transition to middle schools continue and that the end of year is brought to a memorable conclusion.

Thank you for your on-going support and understanding at this challenging time.

Stay safe and take care

Mrs E Goodyear
Headteacher
