Learning Together, Learning for Life

3rd July 2020

We are looking forward to welcoming all pupils back in September. We are currently reviewing the latest guidance from the Department for Education regarding staggered starts and finishing times, play times and lunch times.

This information will be with you before the end of term to help prepare the children for 'their new normal' in September.

The guidance states that adults will still need to adhere to social distance rules, so with this in mind timings are still crucial to ensure a smooth transition.

A big Thank You to everybody who has participated in the class transition activities. We hope these will be of some help in order for to you to support and prepare your child for September.
