

Welcome to Class 3

Drop off: 9:05am Toilet doors Pick up: 3:05pm

We will be using the Toilets entrance and exit for drop offs and pick ups using a one way system that is clearly marked with arrows. You will enter via the main entrance gate on Newpool Road then walk through the car park to the Forest school changing room gate. When the gates are open come through the gate, your child will enter the building then you will join the one way system and walk down the path, past the EYFS building and then walk back up onto Newpool Road. Please keep moving when you are on the one way system as it is critical to vacate quickly allowing the next class to arrive on time.

Please adhere to social distancing and stick to the pathways on the one way system. Do not allow children to run around whilst waiting on the car park for their own safety.

If you have other siblings to drop off and collect then please try to adhere to each class' times as much as possible. If you do have any queries please feel free to contact school to discuss either via Telephone 01782 97310 or using your child's current homework email address before the end of term — Friday 17th July 2020.

Forest School

We aim to use outdoor as much as possible so please send your child into school in their Forest School clothes on Fridays. They must bring a change of clothes/uniform to change into if muddy. They will need to be in a bag big enough to carry a full dirty Forest school kit home!

We will be delivering a full curriculum from September.

Have a fabulous summer holiday. We look forward to seeing you in September.
