## World Food day – 15<sup>th</sup> October 2020

Next Thursday is World food day and we would normally host our Harvest festival during this week. During recent years Harvest donations have gone to our Local food bank to support families in our community. We are aware that during this pandemic there has been an increase of the use of food banks so we would like to collect food this week to celebrate Harvest and support their good work. Please send in donations with your child during next week and we will take to the food bank on Monday 19<sup>th</sup> October 2020, thank you for your support.

## World Maths Day

15<sup>th</sup> October is also World MATHS day.

Our children love using TT Rockstars so we would like to celebrate World Maths day by coming to school dressed as Rockstars!

The children will be undertaking lots of fun maths activities through the day. We will be tweeting through-out the day #Knypersleylovesmaths.

Children in Reception and Nursery will come dressed wearing their favourite number or shape!

## Self isolating siblings

If any siblings have been sent home from school and are self isolating they must stay at home.

Please do not bring them on to our school grounds for drop off and collections.

If this causes problems then please contact the office and we will find a solution to support you. Many thanks

## Cauliflower cards

Your child should now have brought home their design for Cauliflower Cards which we hope you like.

Orders can be placed online as done last year using the information provided on your copy design.

The original artwork will be collected by Cauliflower Cards on Wednesday 14<sup>th</sup> October.

We will keep you informed on progress of delivery.

## Parents Evening

Parents' evenings will be hosted during the week beginning 19<sup>th</sup> October.
