Learning Together, Learning for Life

26th February 2021

Welcome back everyone! What an exciting week it has been with all the announcements and the fact that we have seen the sun shining on several days. I feel like the tide is turning! You should have received a letter from your child's homework email address to confirm that the school will re-open to all children from 8th March 2021 and that attendance is compulsory. We have uploaded all the documents to the website under the COVID 19 tab. If you have any concerns regarding your child returning to school then please contact the school office or your class teachers via email.

The dropping off and collection procedures are on the reverse of this newsletter. If you have more than one child please drop all children at the YOUNGEST child's times and entrances. School will ensure they get to their class safely.

Staff are working hard to get the physical school building ready for your children; cleaning, rearranging furniture and signposting to keep us all safe. Please go through the behaviour principles with your child to remind them of appropriate behaviour under our risk assessment. We are really looking forward to welcoming everyone back!
