## Learning Together, Learning for Life

12th March 2021

Wow! Our children never fail to astonish us in school. We cannot believe how well they have all returned and settled into our new routines. A big thank you to them all for adhering to the social distancing rules between bubbles. They are also working incredibly hard in their lessons—I expect they will be very tired this weekend! A lie in will be needed!

Thank you for all your support this week. The drop off and pickups have got slicker as the week has gone on, siblings are being dropped off and collected together at the youngest child times.

Can I just remind you that only ONE adult is to do the school run so that we can reduce numbers around school and the one way system is to encourage social distancing between adults. Please be aware that staff do monitor the numbers gathering and will perhaps open doors/gates a little earlier or later to ensure that we ease the crowding. This is another measure to keep us all safe and the system flowing.

Communication is still vital to us to help our school operate effectively please do not hesitate to email either the office or your child's teacher, phone the school office or use your class drop in slots. Well done everyone on a successful week, have a great weekend. Love Mrs Goodyear x

**FUNNY  
IS POWER**

**FRIDAY 19 MARCH**

Our school council have met and discussed how we can celebrate and raise funds for this much needed charity.

They would like us to wear bright and colourful clothing and to style silly hair!

They will decide on one winner from each class who will receive a prize.

In class they will be guessing the masked staff joker crowning the funniest joke teller in their class and taking part in some silly games. In general—they will be having a lot of fun and giggles!

If you would like to donate head to our just giving page

Every little helps!

The Governments roadmap suggests that Reach for the Stars will be able to run a Holiday Club after 12th April 2021.

To reduce risk and preserve bubbles Reach for the Stars have made the decision to limit this club to just KNYPERSLEY pupils and siblings.

They would like to get a feel for the need for the provision to help them plan staffing, opening hours and days for the week. If you are interested in booking a place for your child/ren then please email [reachforthestarsknypersley@gmail.com](mailto:reachforthestarsknypersley@gmail.com)

Many thanks

Bottles must go home each night for a good clean!

### Symptoms of COVID 19.

It is **absolutely vital** that if you, your child or someone in your household has any of the following symptoms you must stay at home and **inform us immediately and organise a test.**

- A high temperature
- A loss of, or change to, your sense of smell or taste
- A new continuous cough

If your child displays any of the above symptoms we will isolate them in our isolation room and request you are available to collect immediately.

Our before and after school club is now open .

Please remember we need at least 1 weeks notice if you wish your child to attend so we can arrange our staffing and resources safely under the new reopening guidance. We will not be able to admit children that have not booked in due to bubble monitoring.
