Learning Together, Learning for Life

23rd April 2021

We have returned to school after Easter with an amazing attitude. The children are really eager with their learning and trying really hard. There is a wonderfully positive atmosphere in school and I think this is enhanced by the sunshine too!

We celebrated Earth day yesterday. The children were thinking of ways to look after our planet and to try to reduce Global warming. Class pledges were made to support this. Thank you to Miss Leese and Mrs Sigley for arranging this.

The children have also taken part in the Big Pedal organised by Mrs Minton, thinking of how we travel to school. Thank you for all your support with this.

We hope that you have a lovely weekend and make the most of the sunshine. Please stay safe and take care. See you on Monday. Love Mrs Goodyear xx
