

Knypersley News Learning Together, Learning for Life

16th July 2021

WE MADE IT! What a week and what a year! Two bubbles have popped this week and staff have had to self isolate but we have all pulled together and kept going in true Knypersley fashion. We were so sad that one of our bubbles was a year 4 class but Class 8— we will give you your send off soon.

Who knows what the summer will bring and what September will look like. We will need to formulate an outbreak control plan over the summer and also reduce down our main Risk Assessment to run alongside it. Our MAT has been working with Becky Lee on what that plan will look like and Staffordshire are sending the template out for the OMP shortly. Meanwhile if our school is bug free this is typically what normal will look like in September:

- Be able to bring lunchboxes
- Bring home and return a reading book bag on a daily basis
- Not wear masks outdoors on the school site
- Lend books from our library
- Take part in assemblies together throughout the week
- Eat lunch together in the school hall
- Play together on our school yard
- Be asked to hand wash and sanitise regularly.
- Work with each other in a well ventilated classroom
- Have the equipment we use cleaned frequently
- Be reminded often to 'catch it bin it kill it' using tissues provided for me
- Be asked to maintain social distancing when indoors

You will receive class information to your email address from your child's new teacher over the holidays containing everything you need to know to come to school on the first day and ensure you have your new homework email address.

Up **to 19th August** we would be grateful if you could confirm positive PCR results for any pupil in our school by emailing admin@knypersley.staffs.sch.uk. This will enable us to support the Local Outbreak Team in identifying all close contacts and informing them to self-isolate.

It just leaves me to say THANK YOU AND WELL DONE to all of our children. They have been amazing this year, adapting to all the changes with a smile and determination to always try their best. Every member of staff has given their all to ensure they have kept the children and their colleagues safe and worked so hard to keep up with the curriculum and celebrate progress. A special mention to Mrs Heath and Mrs Finch for keeping the office going and communication strong. Also to Mr Finch, who has looked after all of us, keeping us topped up with all the cleaning solutions needed during the day and everything running smoothly. Lastly, I would like to thank you as parents, your support, encouragement, kind words and messages have made this so much easier to manage.

We wish you all a safe and healthy summer. Take care and we will see you on THURSDAY 2nd SEPTEMBER 2021. Love Mrs Goodyear and the Knypersley Family xx
