Other important information!

Forest School

If your child is unwell or absent for ANY reason you MUST contact us that morning to let us know that your child is safe. Mrs Good year and Mrs Ellis monitor attendance weekly and will contact parents of pupils who are raising concerns.

Please may we ask that you let us know if another member of the family or a friend is collecting your child at the end of the day. We need to make sure your child is safe when going home at the end of the day.

If you would like to help in school then we would be very pleased to see you! You can help for an hour or a whole day! You do need a DBS check with school. Please see Mrs

The PTA are a friendly bunch and raise an lots amount of money for the children of the school. They organise events such as the Christmas and Summer Fayres and

Our Curriculum

Our curriculum is creatively linked and organised flexibly together to provide exciting, practical and written learning opportunities which our children thrive on. Skills are progressive and are built on in all subjects. For more

In English lessons your child will have the opportunity to listen to, read and write in different styles (genres) such as instructions, stories and reports, to name but a few. They will use speaking and listening, and drama to support and inspire their writing.

Throughout the Maths lessons your child will develop a variety of strategies in mental and written maths using the CPA model—concrete (using objects such as Numicon, counters etc) pictorial (drawing) and abstract (doing it in their head). We use White Rose Maths and other resources to compliment and

Our topics in Year 1 also link to our English and Maths topics too. Please see the next page for more information.

TOPICS TO BE COVERED

Outdoor Adventurers

As we welcome the children back to a new school year we begin with a fabulous topic—Outdoor adventurers. To ease back into learning, we try to make this fun, outdoor and as hands on as we can, so that the children can explore a variety of activities which are in the early years style that they are used to. We link all of the learning including maths and English where we can.

After the Christmas break we move on to - Let's Play. This topic is focussed on toys from the past and present and princesses, knights and castles. So be prepared to cast your mind back to your own favourite toys!! Our English links to texts about play and we continue to work through the White Rose maths units.

In to the summer and we start our final unit - Land Ahoy! This

Land Ahoy!

Phonics

In Year 1 your child will continue to have daily phonic sessions. During June, all Year 1 children will take a national phonic screening check. Phonics games, activities and short videos to support you will be on TEAMS and our website. We shall invite

Your child will NEED to bring their reading book and planner in their folder EVERYDAY! We shall hear your child read individually on their own as often as we can. Your child will also take part in our ERIC (everyone reading in class) lessons and will read a range of books by different authors. Your child will also be able to borrow a book from our school

Parent Pay—dinner money, class visits and clubs are now paid for using Parent Pay. If you need a payment card then please see the

"I've got a text!"

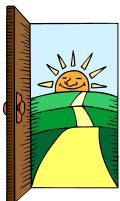

We do send important messages by text, as well as individual celebration messages. If you change your number please let us

know!

Parent Engagement

Homework will be sent home each half term on a homework menu and will be based on the learning that has taken place the half term before so that your child can apply what they have learnt.

Your child can choose the activities they wish to complete BUT they MUST complete at least three activities. Work can be completed and returned by TEAMS (photos), email or in the home learning book. We will collect them in mid-way through the half term to see how you're getting along.
