

Set Menu: spellings, daily reading, times tables practise

We will be looking for children to be reading at home with their parents. Listening to children read will enable them to grow in confidence as they become fluent readers. Once children are able to read fluently and with expression, hold discussions around their comprehension of the texts. We want them to foster a love of books, so please don't underestimate the value of reading to your child. Please practise times tables with your child, ideally using TTRockstars as this will help with immediate recall speed. We are all very grateful for your support.

Added Extras:

We will encourage your child to complete as many of the activities from the menu as they like at home, but **NO LESS** than 3 over the half term. This can be recorded (if appropriate) in our homework books. We will ask for homework books in during the last week of each half term in order for us to share and celebrate this learning.

Research It	Play It	Perform It
<p>Research where you live.</p> <p>What is your town, city, county and country?</p> <p>Do you live in an urban or rural environment?</p> <p>How do you know?</p>	<p>Play a game with your family</p> <p>Play a traditional playground game that your parents used to play e.g. Farmer, Farmer!</p> <p>Play outside!</p>	<p>Perform our Harvest song "Food Glorious Food" from Oliver!</p> <p>Think about how you project your voice. You might want to think back to Mr Gillespie's singing assemblies.</p>
Present It	Write It	Nurture It
<p>Draw a map of your local area. It could be your home/garden, your street or even your town.</p> <p>How will you identify important landmarks, sites or places that are important to you?</p>	<p>Please write a description of what you encountered on your walk around the local area.</p> <p>Can you use the skills we have been learning in class such as fronted adverbials, expanded noun-phrases and adverbs?</p>	<p>Do something that makes you happy—make a cake, ride your bike...</p> <p>Try some Jumpstart Jorngy on YouTube</p> <p>Go outside, go on an Autumn walk and sketch some of the things that you see.</p>

Visit It

Please walk around your local area.

Can you see anything from a different era?

What's the oldest thing you can see and how can you tell?

Year 4
