What Makes a Good User of Technology?

I am able to collect, organise and handle data effectively.

I am able to use coding methodically and creatively for different purposes.

I am able to understand how and why devices connect.

I am able to connect with others safely and respectfully using all technology.

I am able to communicate ideas well by using a range of different applications and devices.

I am able to understand that my words and actions online have consequences within the law.

I am able to apply my skills and knowledge of technology throughout the curriculum and outside of school

To develop children's experience and understanding of ICT, preparing them for jobs of the future.
