English

Love reading with Espresso

A collection of 28 extracts from popular children's books to share with the class for sentence and text-level work.

Word reading Comprehension

The Cat in the
Hat
Dr. Seuss

Read an
extract

Silver/Gold Phonics

Acorn Adventures
Good for: Learning to cope with alternative pronunciations.

Teaching Ideas

Log in to Phonics Play and choose Phase 5.

Select Acorn Adventures

Select your grapheme.

Some graphemes can be pronounced in more than one way. Choose a grapheme below to investigate.

To play the game:
Look at the word on the acorn. Soundtalk the word.
Decide how to pronounce the tricky grapheme.
Drag the acorn to the tree that shows a word with the same pronunciation.

| | | | | |
|----|----|----|----|----|
| a | e | i | o | u |
| ow | ie | ea | er | ou |
| y | ch | c | g | ey |

Select 'u'

[← Back](#)

Select your region.

There are two versions of this game. One is for North of England accents and the other is based on accents from the South of England. Obviously, there are a wide range of accents in both the North and the South of England and so many other English accents around the world. Please choose the game that is the best fit for you.

| | |
|---|---|
| North Accents where a makes the same sound in hat and fast | South Accents where a does not make the same sound in hat and fast |
|---|---|

Select North
