

COVID-19: Operational risk assessment for the Knypersley First School Partial Opening During the National Lockdown commencing January 2021

Please note: this risk assessment should be undertaken in conjunction with the guidance on Restricting attendance during the national lockdown: schools 07.01.21 and all guidance provided on a daily basis since then.

Assessment conducted by:	Mrs E Goodyear	Job title:	Headteacher	Covered by this assessment	Staff, pupils, contractors, visitors, volunteers
Date of assessment:	Version 1 07.01.2021	Review interval:	Daily	Date of next review:	Daily

Risk matrix

Risk rating	Likelihood of occurrence
-------------	--------------------------

High (H), Medium (M), Low (L)		Probable	Possible	Remote
Likely impact	Major: Causes major physical injury, harm or ill-health.	H	H	H
	Severe: Causes physical injury or illness requiring first aid.	H	M	L
	Minor: Causes physical or emotional discomfort.	M	L	L

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
1. Establishing a systematic process of opening, including social distancing to address increased risk posed by new COVID Variant					
1.1 Net capacity					
Available capacity of the school is reduced when social distancing guidelines are applied	H	<ul style="list-style-type: none"> Agreed number of pupils who can attend the premises on any given day to enable compliance with social distancing rules. Agreed new timetable and arrangements confirmed for each year group. Arrangements in place to support pupils when not at school with remote learning at home. 	Y	With current numbers no concerns	M
1.2 Organisation of teaching spaces					
Classroom sizes will not allow any social distancing	H	<ul style="list-style-type: none"> Classrooms organised to fit in appropriate numbers of pupils - front facing desks in KS 2 classrooms Classrooms re-modelled, with chairs and desks in place to allow for appropriate social distancing Spare chairs removed from desks so they cannot be used. Clear signage displayed in classrooms promoting social distancing. Groups- to be known as bubbles, stay together with their allocated staff children in bubbles do not mix with other bubbles Doors and windows to be left open to increase ventilation 	Y	<ul style="list-style-type: none"> Indoor and outdoor signage secured. 	M
Large spaces need to be used PE lessons	H	<ul style="list-style-type: none"> Limits set for large spaces (e.g. hall) for teaching. Large gatherings prohibited Design layout and arrangements in place to enable social distancing. 	Y	<ul style="list-style-type: none"> Usage to communal spaces allocated or timetabled Bubbles communicated via Whatsapp or Teams meeting 	M

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
Levels of staffing would require mixing children from different bubbles and increase risk of transmission	H	<ul style="list-style-type: none"> Parents to book in for Care Club session in advance Numbers in care club bubbles to be reduced Set children to attend each care club bubble – no mixing between established bubbles where staffing. Ensure cleaning kits are available Ensure the COVID behaviour principles are adopted 	Y	<ul style="list-style-type: none"> Contact parents regularly to ascertain need to re consider re opening where provision is not currently viable. Review daily the risk of re opening and act accordingly. 	H
1.3 Availability of staff and bubble sizes					
The number of staff who are available is lower than that required to teach bubbles in school and operate effective home learning	H	<ul style="list-style-type: none"> The health status and availability of every member of staff is known and is regularly updated so that deployment can be planned. Full use is made of those staff who are self-isolating or shielding but who are well enough to teach and mark lessons online. Flexible and responsive use of teaching assistants and other staff to supervise bubbles is in place. Full use is made of testing to inform staff deployment. A blended model of home learning and attendance at school is utilised until staffing levels improve. 	Y	Continue to review as staff and pupil numbers change	M
1.4 Prioritising provision					
The continued prioritisation of vulnerable pupils and the children of critical workers is inhibited to reduced staff availability	H	<ul style="list-style-type: none"> Plans are in place to meet the learning needs of the children who attending schools Pastoral and SEND support is deployed wherever possible to support prioritised pupils. Efforts continue to improve the attendance of vulnerable pupils and those from disadvantaged backgrounds. Thorough critical worker checks completed to ensure the most eligible attend onsite provision. 	Y	Key staff to support with the needs of the more vulnerable	M
1.5 Curriculum provision					
School cannot provide a broad and balanced curriculum both in school or online for some groups of pupils	M	<ul style="list-style-type: none"> Pastoral and SEND support is deployed wherever possible to support prioritised pupils. Non negotiables for EYFS, KS 1 and 2 provision established Resource banks being created to support breadth and quality of curriculum provision. Increased SLT monitoring of online provision established to ensure provision is both broad and matching need of all abilities CPD provided in response to monitoring findings Weekly meetings take place between HT and individual class teachers to offer support and direction re their year group provision 	Y	<ul style="list-style-type: none"> Key staff to support with the needs of the more vulnerable Ensure specialist agencies coming on site meet with HT in advance to understand school RA and expectations eg track and trace etc 	L

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
In school resources are limited and prevent progress for some pupils	M	<ul style="list-style-type: none"> Resources to be available to pupils and can be shared within bubble Sharing of resources across bubbles to be limited and meticulous cleaning to take place Reading books to be available and shared within bubbles- Reading books to be 'quarantined' within bubbles for 72 hours between use. Computing suite to be used in groups of 15 or less- cleaning to take place before use by another bubble Hall to be timetabled for PE with time between for cleaning of equipment 	Y	<ul style="list-style-type: none"> Janitor and staff to check stock levels of cleaning stations frequently 	L
Access to online resources are limited and prevent progress and curriculum access for some pupils	H	<ul style="list-style-type: none"> All children to be allocated email addresses to provide access to Microsoft teams Clear code of conduct and access support materials to be provided to all parents by email and also via COVID Website area E-safety rules shared with pupils and parents Clarity re internet and hardware access to be gained and staff aware of who needs paper based work. Free data options shared DfE Laptops allocated once received Non negotiables established to provide consistent high quality online learning for all bubbles Staff meet weekly with HT to review access/barriers etc 	Y	<ul style="list-style-type: none"> Ensure parents inform us if contact details change or needs change. Ensure staff are clear as the expectation of home learning being a non- negotiable 	M
1.6 The school day					
The start and end of the school day create risks of breaching social distancing and bubble guidance	H	<ul style="list-style-type: none"> Start and departure times are staggered where appropriate The number of entrances and exits to be used is maximised. Different entrances/exits are used for different groups. Staff and pupils are briefed and signage provided to identify which entrances, exits and circulation routes to use. A plan is in place for managing the movement of people on arrival to avoid groups of people congregating. Floor markings are visible where it is necessary to manage any queuing. Attendance patterns have been optimised to ensure maximum safety. 	Y	<ul style="list-style-type: none"> One way system in place for drop of and collection of pupils Communicate expectations with parents Ensure signage is in place-check daily 	L
1.7 Planning movement around the school					
Movement around the school risks breaching	H	<ul style="list-style-type: none"> Circulation plans have been reviewed and revised. One-way systems are in place where possible. Corridors are divided where feasible. 	Y	<ul style="list-style-type: none"> Social and emotional support for pupils to adjust to new way of school life 	L

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
social distancing guidelines		<ul style="list-style-type: none"> Appropriate signage is in place to clarify circulation routes. Pinch points and bottle necks are identified and managed accordingly. Movement of pupils around school is minimised as much as possible, with pupils staying in classrooms and staff moving round. Staff to wear masks in corridors. Lesson/break change overs are staggered to avoid overcrowding. Pupils are regularly briefed regarding observing social distancing guidance. Appropriate duty rota and levels of supervision are in place within identified bubbles. 		<ul style="list-style-type: none"> Spend time sharing and explaining new class rules Welcome back posters created Observe daily and review as required Ensure curriculum supports training of pupils HT to oversee all rotas 	
1.8 Staff workspaces					
Staff rooms and offices do not allow for observation of social distancing guidelines	H	<ul style="list-style-type: none"> Staff rooms and offices have been reviewed and appropriate configurations of furniture and workstations have been put in place to allow for social distancing. Staff have been briefed on the use of these rooms.(Updated expectations shared and on display) Staggered breaktimes to be allocated 	Y	<ul style="list-style-type: none"> Rest rooms have been allocated for each KS. All staff have separate access to toilets and drinks facilities. 	M
1.9 Governance and policy					
LAB Members and Directors are not fully informed or involved in making key decisions	M	<ul style="list-style-type: none"> Online meetings are held regularly with LAB Members and Directors LAB's are involved in key decisions on reopening. Directors informed of all CFLP guidance for schools LAB's are briefed regularly on the latest government guidance and its implications for the school. 	Y	<ul style="list-style-type: none"> Increase phone contact between HT and LAB Chairs 	L
1.10 Policy review					
Existing policies on safeguarding, health and safety, fire evacuation, medical, behaviour, attendance and other policies are no longer fit for purpose in the current circumstances	H	<ul style="list-style-type: none"> All relevant policies have been revised to take account of government guidance on social distancing and COVID-19 and its implications for the school. Staff, pupils, parents, directors and LAB members have been briefed accordingly. 	Y	Administering Medicines in School Policy to include COVID adaptations	L

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
1.11 Communication strategy					
Key stakeholders are not fully informed about changes to policies and procedures due to COVID-19, resulting in risks to health	H	<ul style="list-style-type: none"> Communications strategies for the following groups are in place: <ul style="list-style-type: none"> Staff Pupils Parents LAB members /Directors Local authority Regional Schools Commissioner Professional associations Other partners 	Y	Re-establish parent/contact email groups. Begin to consider contingency planning in case of a local lockdown.	L
1.12 Staff induction and CPD					
Staff are not trained in new procedures, leading to risks to health	H	<ul style="list-style-type: none"> Key Principles is issued to all staff prior to reopening. Induction and CPD programmes are in operation for all staff prior to during partial opening, and include: <ul style="list-style-type: none"> Infection control Fire safety and evacuation procedures Behaviour management Safeguarding Risk management 	Y		L
New staff are not aware of policies and procedures prior to starting at the school when it reopens	H	<ul style="list-style-type: none"> Induction programmes are in place for all new staff – either online or in-school – prior to them starting. Key principles for staff are issued to all new staff prior to them starting. 	Y		L
1.12 Risk assessments					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
Risks are not comprehensively assessed in every area of the school in light of COVID-19, leading to breaches of social distancing, bubble working and hygiene guidance.	H	<ul style="list-style-type: none"> Risk assessments are updated or undertaken before the school reopens and mitigation strategies are put in place and communicated to staff covering: <ul style="list-style-type: none"> Different areas of the school When pupils enter and leave school During movement around school During break and lunch times Delivering aspects of the curriculum, especially for practical subjects and where shared equipment is used 	Y	Bubble/SLT and Exec Board reviews done daily (first 3 weeks) Ensure staff understand their role in RA review on a daily basis.	L
2. Investing in safety equipment and health and safety arrangements to limit the spread of COVID-19 and all known variants					
2.1 Cleaning					
Cleaning capacity is reduced so that an initial deep-clean and ongoing cleaning of surfaces are not undertaken to the standards required	H	<ul style="list-style-type: none"> A return-to-work plan for cleaning staff (including any deep cleans) is agreed with staff / contact providers prior to opening. Stock of all products created and daily stock checks in place An enhanced cleaning plan is agreed and implemented which minimises the spread of infection. Working hours for cleaners under review on a daily basis Classroom cleaning procedures established for all staff especially on frequently used surfaces. COSSH sheets in place for all new products 	Y	<ul style="list-style-type: none"> Meeting to be held with staff to be clear about expectations. Ensure any new products have COSSH sheets 	L
2.2 Hygiene and handwashing					
Inadequate supplies of soap and hand sanitiser mean that pupils and staff do not wash their hands with sufficient frequency	H	<ul style="list-style-type: none"> An audit of handwashing facilities and sanitiser dispensers is undertaken before the school reopens and additional supplies are purchased if necessary. Monitoring arrangements are in place to ensure that supplies of soap, hand towels and sanitiser are maintained throughout the day. 	Y	<ul style="list-style-type: none"> Bins ordered, paper towel orders increased Staff to check stocks daily and re order well in advance 	L
Pupils forget to wash their hands regularly and frequently	H	<ul style="list-style-type: none"> Staff training includes the need to remind pupils of the need to wash their hands regularly and frequently. Ensure soap and hand sanitiser is replenished and stock levels are high. Posters and class discussions reinforce the need to wash hands regularly and frequently. 	Y		L

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> School leaders monitor the extent to which handwashing is taking place on a regular and frequent basis. 			
2.3 Clothing/fabric/					
Not wearing clean clothes each day may increase the risk of the virus spreading	H	<ul style="list-style-type: none"> Policies are agreed prior to the school opening on the wearing of uniforms by pupils and business dress by staff to minimise risks. Expectations and guidance are communicated to parents. Pupils to attend on site in non-uniform to ensure clothing changes can be monitored 	Y	<ul style="list-style-type: none"> Regular communication with parents 	L
The use of fabric chairs may increase the risk of the virus spreading	H	<ul style="list-style-type: none"> Take fabric chairs out of use where possible. Where that is not possible sanitize as part of cleaning. Staff may wish to bring in a cover and then take home to wash each day. . 	Y	<ul style="list-style-type: none"> Fabric spray on order where the material cannot be removed. 	L
Moving items between home and school increases risk of transmission amongst staff and pupils	M	<ul style="list-style-type: none"> Staff to only take home and bring in limited resources etc. Books/folder movement to be limited Pupils to be able to bring in a coat, water bottle, phone, disposable lunch bag if appropriate. 	Y	<ul style="list-style-type: none"> Communicate to staff and parents 	L
2.4 Testing and managing symptoms					
Testing is not used effectively to help manage staffing levels and support staff wellbeing	H	<ul style="list-style-type: none"> Guidance on getting tested has been published. The guidance has been explained to staff as part of the induction process. Post-testing support is available for staff through the school's health provider. Lateral Testing to be offered to all staff 	Y	Regularly send out new guidance to parents as some guidance can be confusing	L

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
Infection transmission increases, especially in light of the new COVID variant within school due to staff/pupils (or members of their household) displaying symptoms	H	<ul style="list-style-type: none"> Robust collection and monitoring of absence data, including tracking return to school dates, is in place. Procedures are in place to deal with any pupil or staff displaying symptoms at school. This includes the use of testing for both staff and pupils and appropriate action, in line with government guidance, should the tests prove positive or negative. Staff to wear PPE (mask and gloves- found at each cleaning station) to talk with any child/staff member who is ill and walk them socially distanced to medical room. Pupils, parents and staff are aware of what steps to take if they, or any member of their household, displays symptoms. This includes an understanding of the definitions and mitigating actions to take in relation to the terms clinically vulnerable and clinically extremely vulnerable should these apply. A record of any COVID-19 symptoms in staff or pupils is reported to the CEO. The contact details of all staff coming into school are collated and retained by office staff 	Y		L
Staff, pupils and parents are not aware of the school's procedures (including on self-isolation and testing) should anyone display symptoms of COVID-19 who is attending Critical worker provision and come schooling	H	<ul style="list-style-type: none"> Staff, pupils and parents have received clear communications informing them of current government guidance on the actions to take should anyone display symptoms of COVID-19 and how this will be implemented in the school. This guidance has been explained to staff and pupils as part of the induction process. Any updates or changes to this guidance are communicated in a timely and effective way to all stakeholders. In order to create a local log parents of pupils learning at home to be asked to inform us of positive tests results within our pupils 	Y	<ul style="list-style-type: none"> See Jan Critical and Home learner letter – with more detailed information in light of recent guidance. Regularly update as guidance changes/refines. 	L
Staff, pupils and parents are not aware of the school's procedures should there be a confirmed case of COVID-19 in the school	H	<ul style="list-style-type: none"> Staff, pupils and parents have received clear communications informing them of current government guidance on confirmed cases of COVID-19 and how this will be implemented in the school during a partial opening during a National Lockdown. HT to refer to CFLP Positive Case Flowchart to report and correctly adhere to guidance re reporting and dealing with a new positive case This guidance has been explained to staff and pupils as part of the induction process. Any updates or changes to this guidance are communicated in a timely and effective way to all stakeholders via text and email. 	Y	<ul style="list-style-type: none"> All new policies emailed to staff including safeguarding & behaviour. 	L

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> Contingency Plan shared with staff and parents. 			
2.5 First Aid/Designated Safeguarding Leads					
The lack of availability of designated First Aiders and Designated Safeguarding Leads puts children's safety at risk	H	<ul style="list-style-type: none"> First Aid certificates extended for three months. A programme for training additional staff is in place. Collaborative arrangements for sharing staff with other schools in the locality have been agreed. Staff clear as to expected level of PPE to be used and how to dispose of it. 	Y	PPE available- guidance to don and doff displayed and moving symptomatic pupils and staff to an identified area.	L
Transmission may occur when providing First Aid	H	<ul style="list-style-type: none"> Wash/sanitise hands before and after treating a casualty. Assist at a safe distance where possible, if they are capable instruct them to do things for you. Minimise time sharing a breathing zone. Wear appropriate PPE (such as disposable gloves, disposable apron). When directly treating people with symptoms of COVID-19 a fluid repellent surgical mask should be worn and eye protection may be needed where there is a risk of body fluids entering the eyes. <p>When performing CPR:</p> <ul style="list-style-type: none"> Call an ambulance Use chest compressions or defibrillator Use a cloth or towel to cover the casualty's mouth and nose while still permitting breathing Use PPE – gloves, apron, fluid repellent surgical mask, eye protection. 	Y	<ul style="list-style-type: none"> Review first aid needs assessment and PPE requirements. First aiders instructed on the safe "donning and doffing" of PPE. Maintain stocks of PPE. Where this is not available contact LA. Resuscitation Council UK advice: https://www.resus.org.uk/covid-19-resources/covid-19-resources-general-public/resuscitation-council-uk-statement-covid-19 	M
2.6 Medical rooms					
Medical rooms are not adequately equipped or configured to maintain infection control	H	<ul style="list-style-type: none"> Social distancing provisions are in place for medical rooms. Additional rooms are designated for pupils with suspected COVID-19 whilst collection is arranged. Procedures for PPE/handwashing by first aiders all shared and displayed Procedures are in place for medical rooms to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. Ventilation to be provided in medical rooms 	Y	Identified First Aider to stay with child who is ill/has symptoms	L

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
2.7 Communication with parents					
Parents and carers are not fully informed of the health and safety requirements for the day to day running of our school	H	<ul style="list-style-type: none"> As part of the overall communications strategy referenced in 1.12, parents are kept up to date with information, guidance and the school's expectations on a weekly basis using a range of communication tools. A COVID-19 section on the school website is created and updated. 	Y	Ensure all contact details are up to date and teachers2parents updated as required.	L
Parents and carers may not fully understand their responsibilities should a child show symptoms of COVID-19	H	<ul style="list-style-type: none"> Key messages in line with government guidance are reinforced on a weekly basis via email, text and the school's website. 	Y	Include on Newsletter	L
2.8 Personal Protective Equipment (PPE)					
Provision of PPE for staff where required is not in line with government guidelines	H	<ul style="list-style-type: none"> Government guidance on wearing PPE is understood, communicated and sufficient PPE has been procured. Those staff required to wear PPE (e.g. SEND intimate care; receiving/handling deliveries; cleaning staff) have been instructed on how to put on and how to remove PPE carefully to reduce contamination and also how to dispose of them safely. Including the putting on. Off and disposal of face masks. Staff are reminded that wearing of gloves is not a substitute for good handwashing. 	Y	<ul style="list-style-type: none"> Ensure orders are done in good time. Guidance re don ing and doffing clearly displayed, discussed and reviewed in briefing meetings 	L
3. Maximising social distancing measures					
3.1 Pupil behaviour					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
<p>Pupils' behaviour on in school does not comply with social distancing guidance when working outside their bubbles/classroom bases</p>	<p>H</p>	<ul style="list-style-type: none"> • Clear messaging to pupils on the importance and reasons for social distancing is reinforced throughout the school day by staff and through posters and floor markings. For young children this is done through age-appropriate methods such as stories and games, using new Behaviour Policy appendix. • Staff model social distancing consistently. • The movement of large numbers of pupils around the school is minimised/staggered • Large gatherings are avoided. • Break times and lunch times are structured to support social distancing and are closely supervised including use of toilets. • The school's behaviour policy has been revised to include compliance with social distancing and this has been communicated to staff, pupils and parents. (Behaviour Policy Appendix) • Senior leaders monitor areas where there are breaches of social distancing measures and arrangements are reviewed. • Messages to parents reinforce the importance of social distancing. • Arrangements for social distancing of younger primary school children have been agreed and staff are clear on expectations. 	<p>Y</p>	<ul style="list-style-type: none"> • Playground area to be sectioned off to reduce bubbles mixing. 	<p>M</p>
<p>3.2 Classrooms and teaching spaces</p>					
<p>The size and configuration of classrooms and teaching spaces does not support social distancing measures</p>	<p>H</p>	<ul style="list-style-type: none"> • Bubble base arrangements in place and become imperative if social distancing measures are less strict (Younger children) • Bubble sizes are assessed regularly based on risk and ability to adhere to social distancing • Net capacity assessment completed, with each classroom and teaching space compliant • All furniture not in use has been removed from classrooms and teaching spaces.- where possible • Tables – front facing, child's movement limited (in KS 1 and KS 2) • Arrangements are reviewed regularly. • Doors and windows to be left open to increase ventilation • Fire doors not to be pinned open • Staff to avoid all face to face and close contact where possible 	<p>Y</p>	<p>EYFS bubbles to be smaller to reduce risk</p>	<p>L</p>

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
Providing sufficient ventilation in classrooms does not provide comfortable temperatures for staff and children	M	<ul style="list-style-type: none"> Ensure heating is adjusted if required. External doors to be closed but not during playtimes Windows only to be opened just enough to allow constant background ventilation Pupils to be offered a flexible approach to clothing to ensure they are kept warm. Internal doors to remain open except for fire doors 		Ensure pupils and staff communicate to ensure temperature is workable for all- act if required	L
3.3 Movement in corridors					
Social distancing guidance is breached when pupils circulate in corridors	m	<ul style="list-style-type: none"> Circulation plans have been reviewed and amended. One-way systems are in operation where feasible. Corridors are divided where feasible. Circulation routes are clearly marked with appropriate signage. Any pinch points/bottle necks are identified and managed accordingly. Yard zones established alongside staggered breaks and lunchtimes The movement of pupils around school is minimised as much as possible. Where possible, pupils stay in classrooms and staff move around. Pupils are briefed regularly regarding observing social distancing guidance whilst circulating. Appropriate supervision levels are in place. Staff to wear masks when moving around school. 	Y	<ul style="list-style-type: none"> Review meetings daily to ensure pinch points, issues as they arise are tackled. 	L
3.4 Break times					
Pupils may not observe social distancing at break times	H	<ul style="list-style-type: none"> During break and lunchtimes each bubble has its own designated play area Toilet times are structured, supervised and staggered. External areas are designated for different groups- zones Pupils are reminded about social distancing between bubbles as break times begin. Social distancing signage is in place around the school and in key areas. Supervision levels have been enhanced, especially with younger pupils, to support social distancing between bubbles 	Y	<ul style="list-style-type: none"> Ensure cleaning kits for PE equipment are in place and stored safely 	M
3.5 Lunch times					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
Pupils may not observe social distancing at lunch times	H	<ul style="list-style-type: none"> Pupils are reminded about social distancing as lunch times begin. Pupils wash their hands before and after eating. Dining area layout (If appropriate) established or bubble bases used Tables and chairs have been cordoned off where this is not possible. Floor markings are used to manage queues and enable social distancing. Additional arrangements are in place, such as staggering lunch times, delivering grab bags to classrooms, pupils eating in classrooms or other spaces. Guidance has been issued to parents and pupils on packed lunches (e.g. the use of disposable bags instead of lunch boxes). Eating areas are cleaned after lunch. 	Y	Ensure dinner staff are well briefed and feedback gained daily	M
3.6 Toilets					
Queues for toilets and handwashing risk non-compliance with social distancing measures	M	<ul style="list-style-type: none"> Queuing zones for toilets and hand washing have been established and are monitored. Floor markings are in place to enable social distancing. Pupils know the restricted numbers of pupils using the toileting area at one given time. Pupils are encouraged to access the toilet during class/throughout the day to help avoid queues. The toilets are cleaned frequently. Monitoring ensures a constant supply of soap and paper towels. Bins are emptied regularly. Pupils are reminded regularly on how to wash hands and young children are supervised in doing so. 	Y	HT to monitor review timings and address issues as they arise	L
3.7 Medical Rooms					
The configuration of medical rooms may compromise social distancing measures	H	<ul style="list-style-type: none"> Social distancing provisions are in place for medical rooms. Additional rooms are designated for pupils with suspected COVID-19 whilst collection is arranged. Staff to know how to use PPE and how to take children to the medical room Procedures are in place for medical rooms to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. Rooms to have ventilation Ensure staff understand the reporting arrangements of suspected cases and test and tracing 	Y		M

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
		https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/			
3.8 Reception area					
Groups of people gather in reception (parents, visitors, deliveries) which risks breaching social distancing guidelines	H	<ul style="list-style-type: none"> • Social distancing points are clearly set out, using floor markings, continuing outside where necessary. • Social distancing guidance is clearly displayed to protect reception staff (e.g. distance from person stood at reception desk). • Non-essential deliveries and visitors to school are minimised. • Arrangements are in place for segregation of visitors. • All visitors to our site to wear masks. • Communication encouraged via text, email and phone. • Appointment only visitors welcome. 	Y	<ul style="list-style-type: none"> • Strong communication via email, text and phone established by all staff 	M
3.9 Arrival and departure from school					
Pupils and parents congregate at exits and entrances, making social distancing measures difficult to apply	H	<ul style="list-style-type: none"> • The use of available entrances and exits is maximised. • Social distancing guidelines are reinforced at entrances and exits through signage and floor/ground markings, including external drop-off and pick-up points. • Weekly messages to parents stress the need for social distancing at arrival and departure times. • Parents asked to wear masks when on site unless exempt. 	Y	<ul style="list-style-type: none"> • Increase monitoring of these potential pinch points and respond as required 	L
3.10 Staff areas					
The configuration of staff rooms and offices makes compliance with social distancing measures problematic	H	<ul style="list-style-type: none"> • Reconfiguration of staff rooms and offices has been undertaken prior to the school opening to allow for social distancing between staff. • Other staffroom bases identified to allow strong social distancing measures • Touch points are cleaned after use by staff- handles, work surfaces etc. • After eating staff to wear masks • Staggered lunchtimes to be established when appropriate 	Y	<ul style="list-style-type: none"> • Additional bases in place ensure cleaning materials and wash facilities in place 	I

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
4. Continuing enhanced protection for children and staff with underlying health conditions					
4.1 Pupils with underlying health issues					
Pupils with underlying health issues or those who are shielding are not identified and so measures have not been put in place to protect them	H	<ul style="list-style-type: none"> Parents have been provided with clear guidance and this is reinforced on a regular basis. Parents have been asked to make the school aware of pupils' underlying health conditions and the school has sought to ensure that the appropriate guidance has been acted upon. The school, and parents are clear about the definitions and associated mitigating strategies relation to people who are classed as clinically extremely vulnerable. Schools have a regularly updated register of pupils with underlying health conditions. 	Y		L
4.2 Staff with underlying health issues					
Staff with underlying health issues or those who are shielding are not identified and so measures have not been put in place to protect them	H	<ul style="list-style-type: none"> All members of staff with underlying health issues, those within vulnerable groups or who are shielding have been instructed to make their condition or circumstances known to the school. Records are kept of this and regularly updated. Members of staff with underlying health conditions have been asked to seek and act on the advice of their GP/consultant/midwife or current government advice. Staff are clear about the definitions and associated mitigating strategies relation to people who are classed as clinically vulnerable and clinically extremely vulnerable. All staff with underlying health conditions that put them at increased risk from COVID-19 are working in adherence to current government guidance. 	Y	<ul style="list-style-type: none"> Individual risk assessments and occupational health referrals to be completed for all staff shielding/at risk/anxious. 	L
5. Enhancing mental health support for pupils and staff					
5.1 Mental health concerns – pupils					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
Pupils' mental health has been adversely affected during the period that the school has been closed and by the COVID-19 crisis in general	M	<ul style="list-style-type: none"> There are sufficient numbers of trained staff available to support pupils with mental health issues. There is access to designated staff for all pupils who wish to talk to someone about wellbeing/mental health. Wellbeing/mental health is discussed regularly in PSHE/virtual assemblies/pupil briefings (stories/toy characters are used for younger pupils to help talk about feelings). Resources/websites to support the mental health of pupils are provided. 	Y	<ul style="list-style-type: none"> Referral to Visyon, Trailblazers and homestart continue as appropriate. 	L
5.2 Mental health concerns – staff					
The mental health of staff has been adversely affected during the period that the school has been closed and by the COVID-19 crisis in general	M	<ul style="list-style-type: none"> Staff are encouraged to focus on their wellbeing. Line managers are proactive in discussing wellbeing with the staff that they manage, including their workload. Staff briefings and training have included content on wellbeing. Staff briefings/training on wellbeing are provided. Staff have been signposted to useful websites and resources. 	Y		L
Working from home due to self-isolation or clinically extremely vulnerable guidance can adversely affect mental health	M	<ul style="list-style-type: none"> Staff working from home due to self-isolation have regular catch-ups with line managers. Staff are encouraged to speak regularly with colleagues, take regular breaks and exercise. Appropriate work plans have been agreed with support provided where necessary. Staff working from home may help provide remote learning for any pupils who need to stay at home. 	Y		L
5.3 Bereavement support					
Pupils and staff are grieving because of loss of friends or family	M	<ul style="list-style-type: none"> The school has access to trained staff who can deliver bereavement counselling and support. Support is requested from other organisations when necessary. 	Y	<ul style="list-style-type: none"> 	L
7. Operational issues					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
7.1 Review of fire procedures					
Fire procedures are not appropriate to cover new arrangements	H	<ul style="list-style-type: none"> Fire procedures have been reviewed and revised where required, due to: <ul style="list-style-type: none"> Reduced numbers of pupils/staff Possible absence of fire marshals Social distancing rules during evacuation and at muster points Possible need for additional muster point(s) to enable social distancing where possible Staff and pupils have been briefed on any new evacuation procedures. Fire marshals have been trained and briefed appropriately. 	Y	<ul style="list-style-type: none"> Share muster points and new fire evac guidance with all staff 	M
Fire evacuation drills - unable to apply social distancing effectively	H	<ul style="list-style-type: none"> Plans for fire evacuation drills are in place which are in line with social distancing measures. 	Y	<ul style="list-style-type: none"> 	L
Fire marshals absent due to self-isolation	M	<ul style="list-style-type: none"> An additional staff rota is in place for fire marshals to cover any absences and staff have been briefed accordingly. 	Y	<ul style="list-style-type: none"> 	L
7.2 Contractors working on the school site					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
Contractors on-site whilst school is in operation may pose a risk to social distancing and infection control	H	<ul style="list-style-type: none"> Ongoing works and scheduled inspections for schools have been designated as essential work by the government and so are set to continue. An assessment has been carried out to see if any additional control measures are required to keep staff, pupils and contractors safe. Assurances have been sought from the contractors that all staff attending the setting will be in good health (symptom-free) and that contractors have procedures in place to ensure effective social distancing is maintained at all times. Temperature checks are carried out on arrival and before entering the school building and all contact details collected and retained. Alternative arrangements have been considered such as using a different entrance for contractors and organising bubbles so that contractors and staff/pupils are kept apart. Social distancing is being maintained throughout any such works and where this is not possible arrangements are reviewed and all contractors will wear a mask at all times. In addition to arrangements for COVID-19, normal contractor procedures are being applied and have been updated in light of COVID-19 (including contractor risk assessments and method statements, and contractor induction). 	Y	<ul style="list-style-type: none"> Ensure office staff are clear as to visitor checks and collection of contact details before entry and are clear of our expectation regarding the wearing of masks on site. Trace and trace information to be securely stored for 21 days 	L
8. Finance					
8.1 Costs of the school's response to COVID-19					
The costs of additional measures and enhanced services to address COVID-19 when reopening places the school in financial difficulties	M	<ul style="list-style-type: none"> Additional cost pressures due to COVID-19 identified and an end-of-year forecast which factors them in has been produced. CFLP finance team has been consulted to identify potential savings in order to work towards a balanced budget. Additional COVID-19 related costs are under monitoring and options for reducing costs over time and as guidance changes are under review. Additional sources of income are under exploration. The school's projected financial position has been shared with Directors and LAB Members. 	Y	<ul style="list-style-type: none"> 	L
9. Governance					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action required/comments	Residual risk rating (H/M/L)
9.1 Oversight of the governing body					
Lack of Director and LAB oversight during the COVID-19 crisis leads to the school failing to meet statutory requirements.	H	<ul style="list-style-type: none"> The LAB and Director Board continues to meet regularly via online platforms. All agendas are structured to ensure all statutory requirements are discussed and school leaders are held to account for their implementation. The Head's report to LAB members includes content and updates on how the school is continuing to meet its statutory obligations in addition to covering the school's response to COVID-19. Regular dialogue with the Chair of LABs and those governors with designated responsibilities is in place.(Link LAB and Director Champions) Minutes of LAB meetings are reviewed to ensure that they accurately record LAB's oversight and holding leaders to account for areas of statutory responsibility. 	Y		L
10. Additional site-specific issues and risks					
Settings to add any site-specific issues/arrangements here and ensure mitigation strategies are in place to address them					
Pupils and parents/carers walking on school drive as part of one way system for drop off and collection of pupils.	H	<p>Measures in place as discussed with H&S governor to mitigate risk-as below:</p> <ul style="list-style-type: none"> Cone end of drive and only half gate open to prevent vehicles entering drive way Member of staff to oversee this area People requiring disabled access /parking at school to arrange this on a needs basis-communicate this clearly with stakeholders Office to communicate with regular companies accessing school via driveway e.g. Ash Waste / Croppers that driveway is closed at specific morning and afternoon times. Staff to park on grass as necessary so that clear space for pupils/parents leaving driveway Communicate the above with all stakeholders 	Y	<ul style="list-style-type: none"> Additional staff to support year 6 as entrance near carpark (The Reginald Mitchell Primary only) Cones and marking to support social distancing queues for school office to be established on carpark. 	L
Parents/carers/pupils not adhering to one way system breaching social distancing guidelines	H	<ul style="list-style-type: none"> Signage in place Marshals until route established Staff presence Clear communication with all stakeholders 	Y	<ul style="list-style-type: none"> Additional staff on yard- each day. 	M
