

Monday 11<sup>th</sup> October

Dear Parent/Carer,

After half term we will begin our free swimming sessions at school. The sessions will run on a three week rota.. Learning Ladybirds (AM) swim at 9am on a Wednesday and Adventurous Ants (PM) swim on a Monday at 12.45. The children have been split into three separate groups.. These groups 1,2 and 3 will be up in the nursery window and on our class website page alongside a timetable of dates that your child will swim. A text will be sent with regards to the group number your child is in. Please ensure you check the timetable to know when your child is swimming.

Your child will need to bring the following to their lessons:

- Full body swimming costume (no bikinis)/ trunks (no shorts)
- 2 towels
- A swimming cap
- A swimming bag

Please ensure that everything that your child brings into swimming is **clearly named**. We also recommend that when packing a swimming bag for your child that they know what has been packed i.e. what their towel looks like. Packing alongside your child will help to minimise the chance of losing kit.

Many thanks,

Mrs Jervis
