Today I've been mainly seeing red...for the right reasons, it has been a 'super' day as we've been raising money for Red Nose Day. So far we have raised an amazing £144.00 thank you so much for your kind donations, supporting those less fortunate than ourselves. You can still donate using the following link:

Lots of fantastic work has been taking place as part of National Science Week. Our children have been learning about famous scientists, creating ecosystems and doing lots of experimenting!

Year 4 have had the most amazing time at Standon Bowers on their residential visit. We are so incredibly proud of them all for showing such resilience, team work and independence. A huge thank you to Mr Gillespie, Miss Naughten, Mr Evans and Mrs Taylor for giving up their time to ensure our children made memories that will last a lifetime.

We have welcomed parents back in to school for our Year 2 SATs and Year 1 phonics meetings this week. We hope that everyone that was able to attend found the information useful. We will share recordings from the meetings on our class pages on the website.

We hope you all have a wonderful weekend, love Mrs Rourke, Mrs Egerton and all of Team Knypersley xx

PS please could we ask each child to bring a daffodil to school with them on Tuesday for our Daffodil Service, these will then be taken to our local care homes by some of our Community Kids.
