# The 'Knipersley News'

Learning together, learning for life!

## A message from Miss Leese...

Thank you so much to everyone who attended this weeks Parent Evenings- we hope you found them useful. If you didn't manage to attend, please contact your class teacher via Arbor and I am sure they will accommodate either a meeting or a phone call with you.

Can I also encourage you to use your weekly class drop in nights to pop in if you have any questions or concerns.

The drop ins take place as follows:

**Nursery/ Year 1/ SENDco:** Monday

**Reception/ Year 4:** Thursday

**Year 2/ Year 3:** Wednesday

Please can you take a moment to complete this short survey in order for us to develop our parent's evenings and to work from suggestions where there is a common theme shared:

The school has been a hub of energy this week with our World Mental Health day (see spotlight). We would like to thank the Knipersley Knights for their support in the organisation of WMH day. Our Knights planned a range of mindful and reflective activities for our children to take part in throughout the day and led a whole school assembly in the morning—a huge well done to them all.

This week our Learning for Life values focus has been: Respect. On Monday during our assembly we spoke about how we could show respect to our friends if they chose to share their feelings and how we could respond in order to ensure they felt supported and respected. It was a pleasure to see so many awards in our Celebration assembly today that reflected the amount of children who showed our trust value of the week—respect. Well done to them all!

Have a great weekend,

Miss Leese and Team Knipersley

## Faith in Focus Week 2024

Faith and Focus, is the week commencing **25th November**. Faith in Focus week is a great opportunity for pupils to engage further in the RE curriculum and to build relationships with the faiths in their community. Our overall intent for RE is to recognise uniqueness, be inclusive, engage and inspire, promote aspiration and create citizens of the future. We are looking for any volunteers during this week, who would be willing to share their faith with Knypersley First School pupils, to promote our intended outcomes. If you would be interested in sharing your faith with our pupils, please reach out to Miss Massey via Arbor. This could be coming into school, recording a video message or sharing faith artifacts.

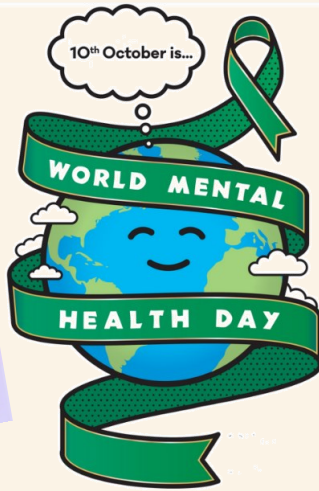

Thank you for your continued support.

Staffordshire Connects is a valuable resource that we use frequently in school for direction to agencies that can not only support professionals but also families too! This week we would like to direct you to '[Start 4 Life](#)'.

**Start 4 Life** is a trusted NHS help and advice service during pregnancy, birth and parenthood. You will find lots of useful information on topics such as Healthy eating, vaccinations, smoking, breastfeeding and much more!

If you would like support accessing any of the offered support within the page please contact a [DSL listed on our school webpage](#). To check your eligibility please speak to Mrs Taylor in the school office.
