

Year 2

Tuesday 6th January 2026 Home Learning

Good morning Year 2.

Today we would like you to have fun in the snow but when it is time to warm up please have a go of some of these learning activities.

- Log onto Times Tables Rockstars and practise your 2 times tables. You can also find times tables games on ictgames.com which does not require a log in.
- Snuggle up with a reading book and read to an adult.
- Write some sentences about your fun in the snow. Can you include adjectives and extend your sentences with a conjunction? e.g. I saw beautiful snow falling from the sky and I raced outside to make snow angels.
- Yesterday we learnt about primary and secondary colours in Art. Can you paint or draw your own snowy picture using primary and secondary colours?

We would love to see some examples of your home learning. Have fun!
