1. Aims

This policy aims to:

- Ensure compliance with the Children's Wellbeing and Schools Act 2026 and associated statutory guidance regarding school uniform affordability and limits on compulsory branded items.
- Promote pupil wellbeing, inclusion, equality and a sense of belonging whilst minimising financial pressures on families.
- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with Miss Leese who can answer questions about the policy and respond to any requests
- Allow reasonable adjustments to uniform requirements for pupils with disabilities, medical conditions or sensory needs.

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible for example, by only asking that the jumper or cardigan features the school logo
- Considering cheaper alternatives to school-branded items
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and footwear for PE.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- Avoiding different uniform requirements for different year/class/house groups
- Avoiding different uniform requirements for extra-curricular activities
- Considering alternative methods for signaling differences in groups for interschool competitions, such as creating labels or wearing tabards.
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

Section 3.1 Child Wellbeing and Affordability

XXXXX School recognises that school uniform should support pupils' wellbeing, self-esteem and sense of belonging without placing unnecessary financial pressure on families.

The school will:

- Ensure that uniform expectations are reasonable, inclusive and affordable.
- Avoid practices that may disadvantage pupils due to financial circumstances.

- Support families experiencing financial hardship through access to second-hand uniform and other available assistance.
- Consider the impact of uniform requirements on attendance, participation and wellbeing.
- The school will not introduce new compulsory branded items unless there is a clear educational, safety or safeguarding justification and consultation has taken place with parents and carers.
- Work with parents and carers to resolve uniform issues sensitively and without stigma
